

RESOLUTION NO. 1-99
CITY OF CLARK FORK, IDAHO

A RESOLUTION OF THE CITY OF CLARK FORK, BONNER COUNTY, IDAHO, DECLARING A STATE OF EMERGENCY AND SUPPORTING AN ADVANCE MEASURES ASSISTANCE PROJECT FOR LIGHTNING CREEK.

WHEREAS, an emergency, as defined in Section 46-1002, Idaho Code, is in existence in the City of Clark Fork, Bonner County, Idaho; and

WHEREAS, bed load deposits and the large amount of debris in the Lightning Creek drainage system near the town of Clark Fork has greatly increased the risk of flooding; and

WHEREAS, significant winter and spring water flows are being predicted by the Army Corps of Engineers and the Idaho Bureau of Disaster Services.

NOW, THEREFORE, BE IT RESOLVED BY THE MAYOR OF THE CITY OF CLARK FORK, IDAHO, as follows:

1. The Mayor has declared a state of emergency because of the imminent threat of flooding in the City of Clark Fork from the Lightning Creek drainage system; and
2. The Mayor supports the Army Corps of Engineers in their Advanced Measures Assistance Project for the Lightning Creek drainage system.
3. This resolution is in effect for seven (7) days from the date of this resolution, terminating on January 12, 1999.
4. Resolution No. 7-98 dated 12/31/98 is hereby cancelled.

DATED this 6th day of January, 1999
